MAJESTIC

BEGINNING TODAY

ALL the richness, romance and dashing fashion that have made DeMille the master of beautiful screen productions—more brilliantly staged than ever before, in this, his greatest photoplay.

Played by a cast that for number of famous artists has never been approached in the history of stage or screen.

A social lion's adventures in love. Rustling with silken drapery. Alluring with beautiful women. Woven into a heart-stirring human story as real as life can be.
